BRIEF ABSTRACT OF LETTER.

9 Requests that in the circumstances explained ~~that~~ G.O.No. L 1740-2/ L.B. 68-23-30 of the 30th August 1924 declining to sanction the payment of Rs. 17,500/- being the State contribution for the maintenance of D.F. roads within a radius of 8 miles from Bangalore ~~one~~ for the years from 1917-18 to the end of 1921-22, may be favorably reconsidered and ~~that~~ sanction may be given to the payment of Rs 17,500/- due to the District Board and also to ~~it continue~~ the payment of contribution since 1922-23 until the finances of the Board improve.

NOTES AND ORDERS.

X In para (2) of G.O. No. 6130-3/ L.B 2440-13-10 of the 20th March 1917 Govt held out a promise of contribution Rs 3,500/- a year towards the cost of maintaining the D.F. roads round about Bangalore within a —

radius of 8 miles provided the District Board of Bangalore would spend an equal amount every year for the purpose.

2 It from the copies of the correspondence accompanying P.W.D, it is seen that the President of the District Board claimed from the Chief Engr. year after year with effect from 1917-18 the Govt contribution of Rs 3,500/- for the maintenance of the D.F road in question after repairing equal amount out of the District Board funds in pursuance of the G.O of the 20th March 1917. The amount of contribution aggregated to Rs 14,500/- this up to the end of 1921-22 and Rs 21,000/- to the end of 1922-23, since no payment was ever made for want of necessary provision in the Annual State budget.

X

3 Thereupon the Chief Engr. for Roads and Buildings reported to in his letter No. B 729 of the 9th August 1923 forwarded the above facts to Govt and solicited sanction to meet the charge for a sum of Rs 24,500/- out of the allotment made under "30 Grants for Public Improvements. 4 After careful consideration of the matter Govt were pleased to decline to sanction the claim of the President of the District Board of Bangalore on the ground that there was nothing to show that the Question of the promised Contribution was ever settled nor that the District Board reported that they fulfilled the Conditions imposed. (Vide G.O. No. L 1740-24 L.B 68-23-31 & 31.8.24.)

5 The President wants a Reconsideration of the above order on the ground that in pursuance of the order of the 20-3-17. the District Board have been incurring expenditure regularly on the said roads as shown in statement received from the Executive Engr. (Hag A) and that the Contribution of Rs 3,500 was being shown in their budget estimates since 1917-18 as laid down in the G.O of 20. 3. 17.

to The Govt order of 1917 (para (@1) is vaguely worded. What wd happen if the Dist Board spent 4,000 Rs or 3,400? What appears to have been meant — is it that Govt wd contribute 3,500 if Dist Board spent not less than 3,500 or that Govt wd contribute half the cost, but not exceeding Rs 3,500.

If I do not think we can withdraw from a promise, which is a promise although vaguely worded. It is open to us to rescind the promise but till we do so, the most equitable solution we can adopt is to be for Govt to meet half the cost not exceeding Rs 3,500, the District Board contributing the other half balance.

12 This item may be corrected when we receive the Dist Board's reply whether they accept this compromise

13 On this basis the Govt contribution will be as in margin figures after 20-21 not available. The contribution may perhaps be reduced by the amount that will be recd from municipality

Letter orders are passed regarding Bandra Municipality contribution.

As the Hon'ble Finance Member seems agreeable, I would suggest provision being made in next Budget for payment upto 20-21 only for which figures are available, & for the remaining years, provision can be made next year or by supplementary grant, after figures are framed. The Dist Board will be glad of this relief & promise. Amounts to be provided for will be 3,303 + 10,500 = 13,803

Board may receive from the City Municipality for the maintenance of these roads. The G.O. marked W. does not seem to me to be suited for Govt's dealing with a Dist Board. Even in these days of financial stringency it amounts to blackmail or a promise on account of some technical omissions on the part of the Dist Board, not real omission as they spent the money on the roads all right.

Final Note by the Second Member of Council.

Subject:—

Government contribution to the Bangalore District Board for maintaining District Fund roads within a radius of 8 miles from Bangalore.

---

44) In Government Order No.6130-3/L.B.240-13 dated the 20th March 1917 Government ordered that they would be prepared to make an annual contribution of Rs.3,500 towards the cost of maintaining the District Fund roads round about Bangalore within a radius of 8 miles provided the District Board spent an equal amount every year for the purpose.

45) In August 1923 the Chief Engineer for Roads and Buildings reported that a contribution of Rs.21,000 was then payable to the Bangalore District Board for 6 years from 1917-18 and that payment could not be made in the previous years for want of provision in the budget, and requested sanction to a sum of Rs.24,500 to meet the contribution for 7 years from 1917-18 to 1923-24. He also enquired whether the contribution amount would be provided annually in future. It was further explained by the Chief Engineer that an outlay of Rs.69,358-9-10 had been incurred by the Department of Public Works and that when the District Board of Bangalore was requested to adjust the amount, a sum of Rs.17,500 being the contribution payable by Government to the end of 1921-22 was deducted by the President of the District Board. On receipt of this letter orders were passed by Government on 30th August 1924 that the claim put forward by the District Board was untenable, because no financial sanction became operative unless and until the necessary funds were provided for in the annual sanctioned budgets, and that the Board should pay its dues in full.

46) The President of the District Board has since reported that the Board have been incurring expenditure regularly on these roads

and that the Government contribution of Rs.3,500 has been shown in the budget estimates of his office since 1917-18, and he has requested a reconsideration of the orders of Government dated the 30th August 1924, and sanction to the payment of the amount of Rs.17,500 as also to the continuance of the payment of the contribution from 1922-23. It is also represented that the financial condition of the Board is not of such a nature as to forego this contribution.

47) When the papers came up before me I minuted as follows:-

"The Government Order of 1917 (para (c)) is vaguely worded. What would happen if the District Board spent Rs.4,000 or Rs.3,400? It was bad to have fixed the cost of maintenance of roads which required special repairs, and not annual maintenance only, at a fixed sum of Rs.7,000. What appears to have been meant is either that Government would contribute Rs.3,500 if District Board spent not less than Rs.3,500 or that Government would contribute half the cost but not exceeding Rs.3,500. I do not think we can withdraw from a promise which is a promise although vaguely worded. It is open to us to rescind the promise but till we do so the most equitable solution undoubtedly would be for Government to meet half the cost not exceeding Rs.3,500, the District Board contributing the balance".xxx.

48) The Financial Secretary expressed the opinion that "if the conditions imposed are considered to have been complied with, the contribution will have to be paid. It is due for 8 years and the amount to be paid would be Rs.28,000".

49) I again minuted on 8th May 1925 as follows:-

"As the Financial Secretary seems to be agreeable, I would suggest provision being made in next budget for payment up to 1920-21 only for which figures are available, and for the remaining years provision can be made next year or by supplementary grant, after figures are obtained. The District Board will be glad of this relief and promise. Amount to be provided for would be Rs.3,303 plus Rs.10,500 i.e., Rs.13,803. The formula that may be adopted in lieu of the vague wording of the Government Order of 1917 is that Government would contribute half the cost not exceeding Rs.3,500 in any year. The contribution may further be reduced in future years by the amount that the District Board may receive from the City Municipality for the maintenance of these roads. The Government Order dated 30th August 1924 does not seem to me to be suited for Government's dealing with a District Board even in these days of financial stringency. It amounts to backing out of a promise on account of some technical omissions on the part of the District Board and not real omission as they spent the money on the roads all right".

50) The Financial Secretary stated that it was too late to make any provision on this account in the budget of 1925-26 and that if the condition for claiming the grant had been complied with by the

15

Board its claim had to be admitted in view of the orders of Government.

51) This was considered in Council on the 2nd instant when it was resolved that the contribution for the years in question may be paid, the required amount being met by reappropriation in the Public Works budget or by additional grant, the Chief Engineer being instructed to provide for this contribution in future budgets, after satisfying himself that the condition (of spending not less than Rs.7,000 in the maintenance of these roads) has been fulfilled by the District Board.

52) The Resolution of the Council may be graciously approved.

PRESIDENT, DISTRICT BOARD,

To,

Nagappa, Esq., Bar-at-la

Through the Deputy Commissioner, Bangalore District

SIR,

With reference to Government Order No.L.1740-8/L.B.68-33-30 dated the 30th August 1934 re the Covernment Contribution due to the District Board for the maintenance of the District Fund Roads round about Bangalore within a radius of 8 miles for 5 years from 17-18 to I have the honor to submit herewith copies of correspondence took place between this office and the Department of Public Works in the matter and to state as follows:-

The District Board in their No.850 dated 30-4-1914 suggested that the District Fund roads within a radius of 20 miles from Bangalore might be maintained from State Funds when the Government after consulting the Chief Engineer and the City Municipal President, Bangalore and after careful consideration passed an order to the effect that Government would be prepared to make annual contribution of Rs.3,500 towards the cost of maintaining the siad roads provided the District Board spends an equal amount every year for the purpose vide Government Order No.6130-3/L.B.240-13-10 dated 20-3-1917.

In accordance with the said Government order the District Board have been incurring expenditure regularly on these roads as shown in the statement received from the Executive Engineer (flag A) and the Government contribution since 1917-18 has been shown in the Budget estimates of this office since 1917-18

The Executive Engineer in para 2 of his lette[illegible] No.738 dated 27-[illegible]

As no replies were received from them, the amount of Rs.17,500 was deducted from the bill sent by the Executive Engineer on the 30th June 1923.

From the above it will be seen that the payment of Rs.17,500 in question was being delayed only on certain technical difficulties; that the District Board has fulfilled the condition laid down in Government Order No.6130-3/L.B.240-13-10 dated 20-3-1917. As such the Board is entitled to the amount due from Government.

Very recently mileage allotment for these roads have been increased under Government Order No.L.7529-31/L.B.98-23-3 dated 21-3-24 as per statement attached.

Under these circumstances I request that all these facts may kindly be placed before the Government for favour of reconsideration of orders under reference and that sanction of Government may kindly be obtained for the payment of Rs.17,500 due to the District Board and also for continuing the payment of contribution since 1922-23.

As the Financial condition of the Board is also not of such a nature as to forego this contribution and continue to pay the increased allotment without finding new sources of income until then the Government may be moved to continue the contribution.

I have the honor to be,

Sir,

Your most obedient servant,

B. Rahman

President, District Board,
Bangalore District.

Letter No.738 dated 23rd/27th February 1922, from the Executive Engineer, Bangalore Division to the Superintending Engineer, Eastern Circle, Bangalore and copy to the President, District Board, Bangalore

---

With reference to your letter No.3543 dated the 15th February 1922 re the submission of report on the payment of contribution towards the maintenance of District Fund roads within a radius of 8 miles round Bangalore from the year 1917-18, I have the honor to submit herewith a statement of grant and outlay on these roads from the last four years, from which it will be seen that the annual outlay (excluding S.R.) is very nearly Rs.700 in the year 17-18 and more than that in the remaining theree years.

2. In para(c) of Government Order No.6130-3/L.B.240-13 dated 20th March 1917, the annual contribution of Rs.3,500 is sanctioned, provided the District Board spends an equal amount every year for the purpose. Since the actuals(vide statement referred to above) have gone above Rs.7000(District Fund quota 3500:Government share Rs.3500 now pavable) the payment of contribution is admissable. Orders are solicited re funds to meet the same.

3. The delay in the disposal of the reference was unavoidable as the accounts of the roads are not maintained mile-war and the data as per actualls had to be collected from the respective bills for the last four years.

30th June 1922.

Letter No.2317 dated 30-6-22 dated from the Executive Engineer, Bangalore Division.to the President,District Board,Bangalore Dt.

With reference to your letter No.C.456 dated 30-6-22 forwarding a bill for Rs.17,500 on account of contribution for the maintenance of District Fund Roads within a radius of 8 miles round Bangalore I have the honor to inform you that the bill has been duly passed and forwarded to the Comptroller for necessary payment at once.

Letter No.C.456 dated 19-7- 22 from the President,District Board, Bangalore,to the Comptroller in Mysore,Bangalore.

In enclosing herein a copy of letter No.2317 dated 30th June 22, intimating that a bill for Rs.17,500 due to the Bangalore District Board on account of contribution towards the maintenance of District Fund Roads has been passed and sent to you for payment,I have the honor to request to be informed if the amount has been credited to the District Board.If so the date of credit may be kindly intimated.

Letter No.95/W.A.D.2. dated 22-7-1922 from the Comptroller in Mysore,Bangalore,to the President,District Board,Bangalore.

His letter No.C.456 dated 19-7-22 re the credit of Rs.17,500 to the District Board.

With reference to the above has the honor to state that the bill was returned to the Executive Engineer,Bangalore Division with this office memo No.645 of 30th ultimo for arranging payment by means of a Pass order.

Letter No.C.456 dated 31-7-22 from the President,District Board, Bangalore to the Executive Engineer,Bangalore Division.

With reference to your letter No.2317 dated 30th June 1922,stating that the bill for Rs.17,500 on account of contribution for the maintenance of District Fund Roads has been sent to the Comptroller for adjustment,I have the honor to state that the Comptroller who was written to the matter informs me that the bill has been passed for payment and sent to you for the issue of a Pass Order. I request that

Letter No.C.1557 dated Nil from the President,District Board, Bangalore District,to the Executive Engineer,Bangalore Division.

With reference to your letter No.1920 dated the 30th June 23 forwarding statement of expenditure incurred on District Fund Roads in June 1923 for Rs.20,799-9-0,I have the honor to state that a sum of Rs.17500 being the contribution amount due to this Department from the Department of Public Works on account of maintenance of District Fund roads lying within a radius of 8 miles round Bangalore as per correspondence ending with your No.812 dated 9-12-22 has been deducte and the same has been credited to District Funds.

For the balance of Rs.3,299-9-0 a District Fund cheque No..... dated..... is herewith sent.

Letter No.R.1875 dated 8th October 1923 from the Chief Engineer of Mysore,Public Works Department,Roads and Buildings,to the President,District Board,Bangalore District.

With reference to your letter No.C.1557 dated the 30th June 1923, to the address of the Executive Engineer,Bangalore Division,stating that you have deducted a sum of Rs.17500 being the contribution amou on account of the maintenance of District Fund Roads lying within a radius of 8 miles around Bangalore,out of the amount payable by the District Board to the Public Works Department for works executed on behalf of the Board to end of June 1923,I have the honor to inform you that the procedure adopted by you is unusual and opposed to Codal Rules. All adjustments between General,Revenue and Local Funds have to be made by means of cheques,as per Article 429,Mysore Accoun Code,Volume 1,and it is not therefore correct that the Board should have resorted to the unusual way of deducting the sum promised by Government to the Board from that due to the Government by the Board The question of payment of arrears of contribution due to the Board for the maintenance of District Fund roads has been referred to the Secretary to Government,Revenue Department,as intimated to you in this office Memo No.R.730 dated the 9th August 1923,and orders there

may be awaited.

I therefore request you to kindly arrange to send a cheque to the Executive Engineer, Bangalore Division for the full amount due to the Board on account of works executed on their behalf without making any deduction therefrom whatever.

It is further reported by the Executive Engineer, Bangalore Dn. that the amount of expenditure on works is not adjusted regularly every month by the Board and payment is deferred to the 30th June of every year. As the Comptroller has been taking objection frequently to this delay in the adjustment of charges, arrangements may kindly be made to issue cheques in future at the end of each month as soon as intimation as to the outlay incurred is communicated.

Letter No.709 dated 3/4th October 1934 from the Executive Engineer Bangalore Division to the President, District Board, Bangalore Dt.

I have the honor to invite your reference to G.O.No.L.1740-8/ L.B.68-23-30 dated 30-8-34, and to request that a sum of Rs.17,500 deducted during 1922-23 on account of contribution for maintenance of District Fund Roads to the end of 1921-22 may be arranged to be paid at a very early date.

As a report is due to the Chief Engineer regarding the adjustment of the said amount, a crossed cheque may be issued at an early date for the full amount (Rs.34,500/-).

The matter may be treated as very urgent.

also requested to be informed whether the contribution amount could be provided annually in future. It was further explained by the Chief Engr that an outlay of Rs 69,350. 9-10 had been incurred on the B.P. roads in question by the P.W.D and that, when the District Board of Bangalore was requested to remit the amount, a sum of Rs 17,500/- being the contribution payable by Govt to the end of 1921-22 was demanded by the President of the District Board.

In their letter of the 30th August 1924 Govt observed that the transactions were quite distinct from each other, that the Board were not within their right in withholding payment to the P.W.D for works executed by the latter and that the claim put forward by the District Board of Bangalore could not

for reasons given be sanctioned

The President of the District Board has now reported that in accordance with the G.O of the 20th March 1917, the District Board have been endeavouring to bring up the roads and that the Govt Contribution of Rs 3,500/- has been shown in the Govt estimates of the District Board since 1919-18. and that he has therefore requested a reconsideration of the orders of Govt of the 30th August 1924 and sanction of the payment of Rs 17,500/- as also to the Condonation of the payment of the Contributions from 1922-23. It is also reported that the financial condition of the Board is not such as to permit them to trace this Contribution

In a further communication of the matter, Govt are pleased to direct that the Govt Contribution
